## Summary

I'm a graphic designer and illustrator experienced in branding, large and small format print design and apparel design. I seek work that will utilize my experience, knowledge and personal style.

## Experience

### Freelance Graphic Designer, Dunlap Studios; 02/08 – Present

Create designs and illustrations for web and print. Create logos for bands and businesses. Work with in-house and outside printers. Responsible for all invoicing, billing and customer communication.

### Lead Graphic Designer, Group Imaging; 08/05 – Present

Create logos, trade-show displays, banners and vehicle graphics. Work closely with customers, sales reps and production/printing. Follow strict deadlines for in-house and customer orders. Preflight and error-proof customer orders for both large and small format printing. Responsible for scheduling and producing small format print products.

## Education

### Chandler Gilbert Community College / Mesa Community College

Associates Degree, Digital Media and Illustration 05-08

Certificate of Completion, Media Arts: Computer Art/Illustration 07-08

## Skills

I am extremely proficient in Adobe Photoshop, Illustrator and InDesign CS-CS5. I have some experience in Flash and Dreamweaver. I am extremely efficient in both Windows and Mac Operating Systems. I am an extremely motivated and organized individual that is constantly trying to surpass my previous work.
